LUCY SERIES: 12 INCH PENDANT

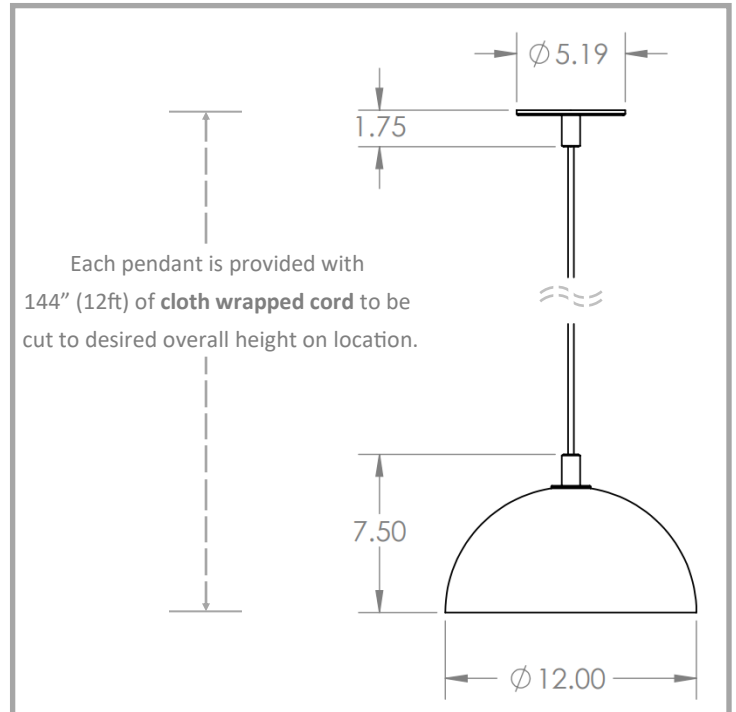

Contact: info@trellastudio.com

www.trellastudio.com

The Lucy pendant features solid brass components styled in three finish combinations; Parlor, Snow, and Tide. All three styles retain the bright satin brass of the shade's interior. Combined with a white acrylic diffuser, the effect is a radiant and warm glow. Each pendant includes a matching finial and ceiling canopy to complete the look, along with 144" of cloth wrapped cord which allows the final drop height to be decided on location for the perfect fit.

Shown in Tide

All Dimensions in US customary inches

SPECIFICATIONS Each Trella Studio product is locally made in the U.S.A.

MATERIAL Brass / Acrylic / Cloth wrapped cord

FINISH STYLES **Parlor** : Matte-black powder coat with satin brass interior, matte-black details, and black cloth wrapped cord.

Snow : Semi-gloss white powder coat with satin brass interior, antique brass details, and white cloth wrapped cord.

Tide : Prussian blue with satin brass interior, white powder coated details, and white cloth wrapped cord.

PRODUCED USA
